

# Luggie®

## Super Plus

With suspension on the front wheels and larger tyres on the rear, giving the mobility scooter a softer ride over tough terrain than the original Luggie Super mobility scooter. It also easy-to-adjust tiller places the scooter's controls in the ideal position, and still keep the easy steps to have half or full folding.

## Smart fold, Easy go

**Adjustable tiller**

**Puncture proof tyres**

**With suspension on the front wheels**
