

I-Galaxy

Electric Mobility

I-Galaxy

Electric Mobility

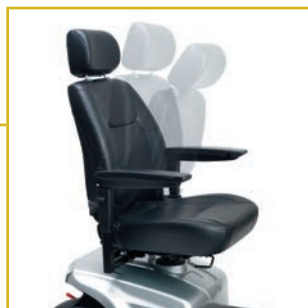

The I-Galaxy is the Apex Scooter that presents a perfect balance between performance and comfort. Power and reliability in a single scooter, allowing you to go where others can't.

- **Powerful:** With 850W motor and two 75 Ah batteries.
- **Reliable:** Thanks to the quality of its motor and electronics. With a fairing that protects it from corrosion and water.
- **Comfortable:** Rotating and depth-adjustable seat. Armrests adjustable in width and height. With front and rear suspension and 13" wheels for greater comfort.

Featured items:

Swivel and depth-adjustable seat
