

Rumba

Rumba®

Compact, transportable, and adjustable...

Super compact base - ideal for lifts and narrow doors

The Quickie Rumba's base is just 59cm (23") wide (with a 42cm (16.5") seat frame width) allowing easy access into lifts and narrow doorways.

Even with the frame size adjusted to its maximum size of 48cm (19") the seat frame is still only 65cm (25.6") wide.

Adjustable and Detachable

Easy to transport

An easily detachable back and lift out batteries, combined with a folding frame and the fact that the heaviest component of the chair weighs just 37.4kg (82.4lbs) makes the Rumba easy to transport, or to store in car boots or other confined spaces.

Easy to store or transport

Easy to adjust

- From 42 to 54cm (16.5 to 21.3") width adjustment
- Frame has 6cm (2.4") armrest width adjustment
- Tool-free backrest height adjustment to 43, 46 and 49cm (17, 18 and 19.3")
- Backrest angle adjustment of up to 30° (complete with adjustable upholstery option)
- Detachable armrest with height adjustment
- 3° of seat angle adjustment
