Unique Features available with the i-Go

Large secure storage compartment

Unique comfort seating

Hi-torque front suspension

Micon control system

Colours
Only available in Silver

How To FOLD

1 Switch off and remove Joystick

2 Place joystick in backrest pocket and remove cushion.

3 Fold backrest down then pull both arm rests anticlockwise toward the back.

4 Pull the two black toggles (Located on the back) together.

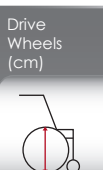

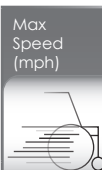

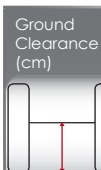

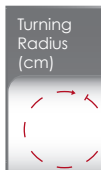

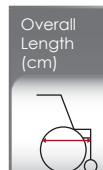

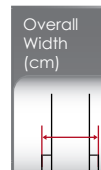

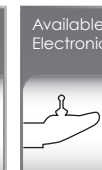

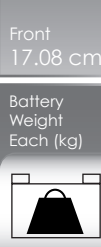

5 Push down on the seat frame until unit fully flattens.

6 The i-Go is now ready to go...
